

Gas South Named a Top 25 Workplace in Atlanta

AJC ranks leading natural gas provider on prestigious list for eighth year

ATLANTA, Ga. (August 15, 2024) – Gas South, a natural gas provider, is proud to announce that they are ranked within the top 25 places to work among mid-sized employers in Atlanta. This year, the company achieved its second-highest ranking since occupying the *Atlanta Journal Constitution's* Top Workplaces list.

The Atlanta Journal Constitution partners with Energage to use employee surveys to determine which workplaces provide the best employee experience, environment and company culture.

"I'm honored for Gas South to be named a top workplace for nine years running," said Kevin Greiner, Gas South President and CEO. "It's a testament to our team's hard work, dedication to the culture and values we've created. Our purpose to Be a Fuel for Good is something our teams are deeply passionate about and a constant reminder to make a great workplace together."

Gas South is recognized in the Culture Excellence category for outstanding innovation, work-life flexibility, compensation and benefits, leadership, and purpose and values. This year, more than 9,000 companies were nominated but only 175 made the AJC's Top Workplaces [list](#).

"Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees," said Eric Rubino, Energage CEO. "That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends."

This significant milestone comes right on the heels of Gas South's big reveal of their [new, hybrid-centric office](#) at The Battery Atlanta. It was designed to enhance the employee experience with features like an innovative content studio, video-enabled conference rooms, gaming lounges, wellness rooms and sound masking throughout the 31,000-square-foot space.
