Gas South to Establish Headquarters at The Battery Atlanta™ in 2024

Leading Natural Gas Provider Chooses Atlanta's Premier Entertainment Hub for Dynamic New Headquarters

ATLANTA (June 21, 2023) – Gas South, one of the largest providers of natural gas in the southeastern U.S, today announces the relocation of its headquarters to a new office space at The Battery Atlanta on August 1, 2024. The strategic move represents a significant milestone for the company as it continues to experience growth and strengthen its partnership with the Atlanta Braves.

The new office, located at Three Ballpark Center, boasts a prime location adjacent to Truist Park and offers a spacious environment that will further enhance Gas South's commitment to delivering exceptional service to its customers.

"While Gas South has called One Overton Park home for many years, we are excited about the fresh start that awaits us at The Battery Atlanta," said Kevin Greiner, President and CEO of Gas South. "It has become a thriving lifestyle destination for Atlanta, and we are thrilled to be a part of its exciting growth. We are confident the new location will elevate our employees' work environment as we forge ahead in our commitment to Be A Fuel For Good and serve as a catalyst for attracting top talent and fostering innovative partnerships."

Spanning 31,000 square feet, the new office will accommodate Gas South's 250+ Georgia-based employees. It will feature a variety of collaborative spaces and dedicated areas for focused work. Beyond the office, Gas South employees will have access to an array of amenities, including the Silverspot Cinema and The Coca-Cola Roxy concert venue. The relocation will also facilitate closer proximity to Gas South's partner, the Atlanta Braves and the Braves Development Company headquarters.

"We are elated that Gas South will be joining the premier office-line up at The Battery Atlanta," said Mike Plant, President and CEO of Braves Development Company. "Employees here have an incomparable array of amenities just outside their doors, and the Atlanta Braves as a neighbor. We are honored Gas South chose Three Ballpark Center for their offices and look forward to the continued growth of our partnership that began in 2007."

Gas South's relocation further reinforces its commitment to fostering economic growth and prosperity for Cobb County and the region. The company has long supported local charities and

the broader Cobb County community, giving back 5% of its profits to children in need. With the company's additional office in Gainesville, FL, the Atlanta-based headquarters will provide a forum for hosting team meetings and events for all 400+ employees.
